

## Job Opportunity

Ruhengeri Institute of Higher Education (INES-Ruhengeri) believes that quality assurance in teaching and learning is a shared responsibility. The Institution has broad oversight of standards, policy and processes surrounding its academic endeavor. Collectively, teaching staff and academic managers are responsible for ensuring that the design, development, management, teaching and assessment of courses and subjects facilitate effective learning, while students have responsibility to engage in the learning process.

The institution is calling for applications to the following current vacant positions:
