

**FH ASSOCIATION RWANDA (Food for the Hungry)
PO BOX 911 Kigali, Rwanda**

**VACANCY ANNOUNCEMENT – READVERTISED
EDUCATION AND EARLY CHILDHOOD DEVELOPMENT SPECIALIST**

ABOUT FH

FH Association (Food for the Hungry) is an International Christian, Relief and Development organization with a vision “**All forms of Poverty ended worldwide**” and a mission; “**Together we follow God’s call responding to human suffering and graduating communities from extreme poverty**”. FH Rwanda operates in Kamonyi, Ruhango, Muhanga, Gatsibo and Nyagatare districts and is looking forward to expanding its interventions in Ngororero district. Our Head Office is located at Umuyenzi Plaza, 2nd Floor, Kisimenti – Remera.

We are seeking to hire a qualified, dedicated and experienced **Rwandan National or International residing in Rwanda** for the “**Education and Early Childhood Development Specialist**” position to support our Program interventions. The position holder shall be based in Kigali Office with frequent travels to the field and reports to the Program Director.

PURPOSE OF THE POSITION

The Education and Early Childhood Development Specialist will provide effective capacities and technical guidance in the design, implementation, monitoring and evaluation for the ECD and education component in FH programs that include: the strategic planning, increasing funding portfolio through proposal development, networking and fundraising. He/She has the responsibility to provide technical support, quality improvement, represent FH in ECD and education national level technical working groups and in resource mobilization for this sector.

MAIN KEY RESULTS

Program development and technical support (40%)

- Lead, implement, monitor and evaluate education and Early Childhood Development related strategies holistically matters to ensure that CFCT approach is embedded in education and ECD programs
- Design innovated projects with an emphasis on child stimulation, toxic stress, Early Grade Readiness & Early Grade Success, caregiver, community and teacher interventions, nutrition, child protection, peace building around ECD and scale them up to increase local and external program income as well as to reach more vulnerable children and their families;
- Lead in development of contextual analyses of child stimulation, ECD and early grade issues affecting the country and particularly the target groups;
- Raise ECD and early grades related matters and evidence based advocacy targeting Government staff and community leaders to increase their knowledge, funding capacity in best practices and gender related issues in ECD.
- Participate in budget processes and periodic budget reviews for ECD and early grades related activities and oversee ECD and early grade budgets and expenditures to ensure their alignment with the required standards
- Prepare monthly, quarterly and annual work plans and donor reports as per agreed formats;
- Design and coordinate market assessments, feasibility studies, baseline and end of project evaluations;
- Organize regular team meetings, making sure they are participatory and end up with agreed action points aimed at continuous improvement of FH’s ECD and early grade programs.

A handwritten signature in blue ink, appearing to be the name "A" or "A.", located at the bottom right of the page.

- Train staff on ECD an early grade global and Country Program, also train partners including parents (moral duty bearers) and principle duty bearers on better child rearing practices (child stimulation, toxic stress, early grade readiness and success, caregiver, community and teacher interventions, child protection, nutrition, family planning, social and emotional care for children including children with special needs)
- Technical support to formation and facilitation of child clubs and Child councils
- Facilitate the implementation of communication for behavior improvement to mitigate poor understanding of the importance of communities including duty bearers towards Early Childhood Development and to protect children at the ECD centers and beyond

Resource Mobilization (30%)

- Support the Program Director in identifying needs, providing necessary information for resource development and securing donor funding in accordance with budget targets and maintaining a diversity of future funding options for the office;
- Support FH Rwanda's resource development efforts through needs assessments and designing of child stimulation, ECD and early grade readiness and success project concepts and proposals, including log frames, budgets and supporting documentation;
- Lead in the development of country fundraising strategy for education sector;
- Support the Program Director in resolving diverse and occasionally complex problems related to education funding and donor relationship management.

External Relations (30%)

- Liaise with other development organizations as well as the government to build partnership/alliances and come up with innovative and comprehensive interventions for education including child stimulation, toxic stress, early grade readiness and early grade success, nutrition, peace building and hardware components.
- Ensure FH Rwanda is well represented and adds her voice in major ECD and education networks/platforms at Community, national and regional Levels and in donor meetings.
- Strengthen linkages and foster working relations with civil society organizations, government representatives, private sector and community-based organizations in education sector;
- Select intervention sites, expansion areas and (new) program partners based in consultation with the Program Director;
- Initiate new and manage existing partnerships around ECDs and education sector as a whole

JOB REQUIREMENTS

- Master's degree in children and mother Nutrition, Early Childhood Development, Education, Development studies or related fields
- At least 8 years working experience in early childhood development, nutrition, participatory approaches, community mobilization for development, project management or similar position.
- Working experience in a similar role and experience in working with bilateral organizations or INGOs would be an added advantage.
- Demonstrable experience in fundraising through donor networking, development of concept notes and proposals;

OTHER ESSENTIAL REQUIREMENTS

- Vibrant Personal Relationship with Christ
- Knowledge and experience working with other cultures
- Good skills in proposal development and reporting
- Knowledge in Early child education, nutrition as well as on human right based approach to development

- Technical knowledge in nutrition, education, social protection, gender issues and environment
- Experience with working with local governments, donors and local communities;
- Diplomacy, tactical and negotiating skills;
- Proven experience in managing donor relationships including private donors
- Ability to represent FH in high-level meetings with donors, local Churches and local government.
- Have analytical and problem-solving skills
- Computer proficiency: MS Word, Excel, Access, e-mail, internet
